Dear Pat Puzzle People!

Imagine my great happy
surprise to have your wonderful
present delivered two days ago.
When I opened it - there was
your lovely valentine. I cannot
tell you how much I enjoyed
working the puzzle and how
surprised I was.

I am also so glad to
find you again. If you ever
have a catalog with prices
again - I hope you will send
me one - I'm sure I can't afford
you, but I'd love to try -
Most gratefully - Barbara Swan
